Excel - Achieve - Enjoy

Working together

We believe that working with parents is a vital part of helping students achieve their potential and progress to the best possible future.

- Together, we can ensure that your son or daughter makes a happy and successful transition from school to College and that they receive a wonderful preparation for university, employment or apprenticeships.
- Together, we can help young people make the Grade whether that means completing a foundation-level course and gaining in confidence or graduating from one of our university-level qualifications.
- Together, we can encourage students to take up all the amazing opportunities that exist in a college like this - including work experience, study trips and travel. enterprise, sport and Duke of Edinburgh.

Some frequently asked questions from parents

school?

College tends to provide a more mature environment which is a stepping-stone to university or the workplace.

majority of courses don't have to wear a uniform and they will soon get used to being on first-name terms with their to emphasise, though, that we expect students to attend all lectures punctually. complete assignments on time and most importantly, to treat their fellow students and members of staff with respect.

• How does the teaching style help students to achieve?

We deliver our study programmes in biteoperates across the College, with lessons delivered in five-week sections followed by a week during which we concentrate on reviewing and assessing that learning. Students tell us that this is a less stressful and more effective way for them to learn and to achieve the best possible results.

The sixth 'RAD' week is also a focus for enrichment and enterprise activities to

advisors drop into the One Stop Shop or call the team on 01785 275607

We can help you find the best way to get to and from College as well as providing the information you need to cut the cost of travel. We can also help you find out whether you are eligible for the Your Staffordshire card, which makes it possible to travel to and from College by bus for just £1 per journey.

• Are any of your facilities open to me?

Yes[

We're Open for Business in lots of ways on the campus. We have a wide range of Real Work Environments which help our students gain crucial commercial experience and allow us to share some of our amazing facilities with the local community.

- Riverbank Restaurants enjoy a finedining lunch or dinner or opt for the Express Lunch for great food in a hurry.
- The Beauty Academy and The Old Printworks Academy at the Francesco Group – for top quality beauty, spa and hair treatments at a fraction of the high street price. Spa packages also available
- The Art Shop & Gallery a specialist art supplies shop in the heart of the town centre and a fabulous gallery space for touring exhibitions and shows of work by students, graduates and local artists
- Saturday Sports Superstars (ages 4-12) Multi-sports fun for children on Saturday mornings during term-time. Just £2 per child and if you want to get fit while your child takes part, you can use our gym at the same time for only £1!
- Venue Hire you can hire our restaurant spaces for private parties and corporate functions. If you are in business, you can also take advantage of our central location and resources

for meetings, conventions, conferences and team-building with catering available as required.

- Butterflies Day Nursery high quality childcare for children aged o-5 with places available for Think2 funding.
- The Fitness Zone work out in our great gym for just £3 per visit, with membership packages available to cut the cost even further. Our Sports Hall is also available to hire outside lecture time for badminton, football, netball etc.
- The Studios film your own video or rehearse and record music in our industry-standard studios.
- The Garage save money on pre-MOT tests and servicing in our workshops at Palmbourne Technology Centre
- If you want to develop your business, train your staff or recruit and apprentice to give your company the competitive edge, **Evolve Training** can meet all your business needs including professional qualifications and bespoke training courses.

Don't listen to us!

We know that this is a great college, getting even better and that we provide the widest-possible range of career-focussed qualifications to help your son or daughter get the job that they want.

But don't take our word for it, here are some of the comments received in a survey of the parents and guardians of our students. All respondents were anonymous.

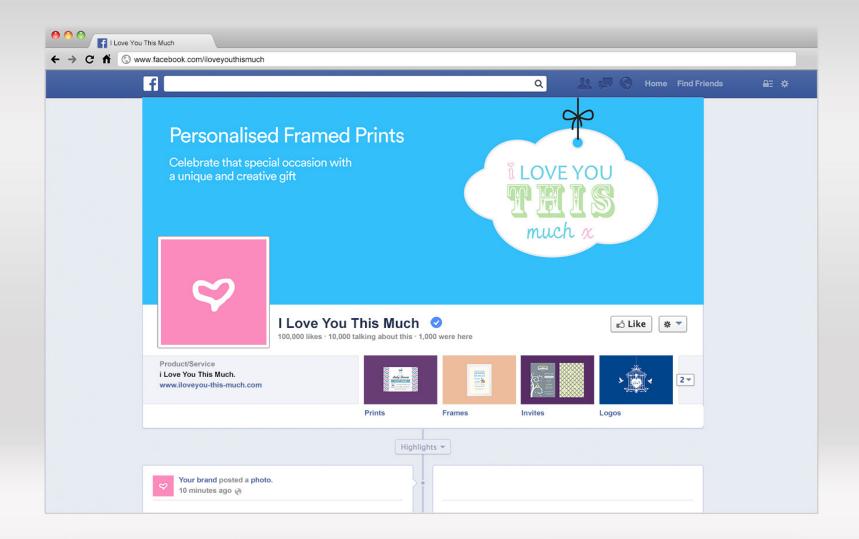

"I feel my daughter has had an excellent first year at Stafford College, prompting her to decide to begin a two-year BTEC course starting in September. Her progress at College has been fantastic. She's gained a great qualification as well as more confidence in herself and her own abilities."

"My son is very happy at Stafford College. He has a good working relationship with his tutor. It has built his confidence tremendously and he has made some good friends. He will be returning to College to complete a third year and he has already achieved such a lot."

"Very good - keep it up!"
